CHARTING THE COURSE: LEGAL HELP FOR NONPROFITS IN TROUBLED TIMES

This report provides proven business and legal strategies to help nonprofit leaders and board members meet the continuing challenges posed by the recession. Nonprofit organizations are coping with increased demand for their services as funding remains precarious. Despite an unpredictable financial outlook, there are multiple strategies and best practices that nonprofits can pursue to minimize risks, sustain and enhance their programs, maximize their resources, and better position themselves to carry forth their charitable missions. The report focuses on five key areas: mission, people, facilities, funds, and relationships. It includes a detailed analysis and hypothetical examples of when and how legal assistance can make a positive difference. It also recommends public policies to support nonprofit advocacy, rationalize government contracting, simplify regulatory reviews, and increase access to working capital. Copyright 2012. 146 pages, plus Executive Summary. (\$12.00 plus \$8.00 shipping & handling)

A \$40 PDF version of this document, including footnotes and website links, and a free Executive Summary are available at <https://lawyersalliance.org/publications/list>.

DISASTER RELIEF AND RECOVERY: THE ROLE OF NONPROFITS BEYOND GROUND ZERO AND THE LEGAL IMPLICATIONS OF THEIR WORK

This white paper discusses the broad range of problems and human needs created or intensified by the September 11 attacks, particularly in New York's low-income and disadvantaged communities, and the important role of nonprofit organizations in responding to them. It also examines some of the key legal issues that nonprofit disaster relief organizations faced after September 11. Copyright 2003. (FREE.
